The Most Pressing Questions Asked.

After reviewing the Hundred's of COMMENTS, from the first ZIM & RC video, we narrowed them down to FIVE PRIMARY Concerns:

1: How Do We Prepare?

2: How Do We Handle “Special Situations & Circumstances?”

3: Who Will Go To The Redemption Centre's?

4: When Is All This Going To Happen?

5: What Do I Do In The Interim?

This and other issues will be covered. Please understand there are thousands of possible individual things that could be asked. There is not ample time or resources to begin to cover all of them. ***Thank you for your understanding.***

The Most Pressing Questions Asked.

After reviewing the Hundred's of COMMENTS, from the first ZIM & RC video, we narrowed them down to FIVE PRIMARY Concerns:

1: How Do We Prepare? (GET RIGHT w/ GOD)

<https://twitter.com/XRPLion1>

- Complete the **Currency & ZIM Bond Summary Sheet**. (**DINAR, DONG, BOLIVAR, ZIM**)
- Sort all Currency by Country and by Denominations:
- Practice until Perfect, your 3-10 min Explanation of your **(HIT)**

MED BED REQUEST REQUIREMENTS

Note: They may ask you if you have a "Qualifying Need" for immediate access to Med Beds. If, so, REQUEST IMMEDIATE APPT.

The Most Pressing Questions Asked.

After reviewing the Hundred's of COMMENTS, from the first ZIM & RC video, we narrowed them down to FIVE PRIMARY Concerns:

2: How Do We Handle “Special Situations & Circumstances?”

- Make a LIST of anything you want to ASK or NEED to make the Call Center Operator aware of. You will only get one opportunity to notify them, so you must be ready with your list.
- This includes such things as those needing assistance, medical issues for Med bed appointments.
- It's better to have too many questions, then to miss something important.

The Most Pressing Questions Asked.

After reviewing the Hundred's of COMMENTS, from the first ZIM & RC video, we narrowed them down to FIVE PRIMARY Concerns:

3: Who Will Go To The Redemption Centre's?

- The General Public meeting the Age Requirement.
- Those 24 years of age & older
- Those with domestic, foreign currency and ZIM Bonds.

**** We have not heard about those under 24 that were gifted, hold, or own foreign currency or ZIM Bonds. Ask the Call Center Operator.**

The Most Pressing Questions Asked.

After reviewing the Hundred's of COMMENTS, from the first ZIM & RC video, we narrowed them down to FIVE PRIMARY Concerns:

4: When Is All This Going To Happen?

- We've been told ONLY 5 People know the EXACT DATE and due to the “fluidity” of the situation, we must hold this loosely.
- GOD is 100% in Control of it ALL. Why? He created HIS PLAN & PURPOSE before TIME began.
- He is a KEEPER of ALL HIS PROMISES.

The Most Pressing Questions Asked.

After reviewing the Hundred's of COMMENTS, from the first ZIM & RC video, we narrowed them down to FIVE PRIMARY Concerns:

5: What Do I Do In The Interim?

- Avoid watching the endless supply of “FEAR Porn” videos that are just “click bait” distractions.

And, lastly the LORD said to:

INTRODUCTION

WELLS FARGO: EMAIL, TEXT MESSAGE, PHONE CALL.

You will receive an 800# to call.

When you call, you will be asked several questions to confirm your identity, prior to be routed to 1 of 8 Regional Call Centres closest to your Zip Code. This is necessary to guard against identity fraud, keep you safe, and make sure you are the right person being scheduled for an appointment.

**** If you or a loved one has special needs, please be sure to tell the Regional Call Centre operator, immediately, up front.**

See NDA's (Non-Disclosure Agreements) & Exiting Protocol's.

REMEMBER: You are being given the opportunity to receive a **FANTASTIC BLESSING of RESTORATION**. It is a **"GIFT"** that can be taken away just as easily as it is being given. Stay focused. Look them in the eyes and read their lips as they talk to you.

Be Polite. Pay Attention. Ask "if you can take notes." If so, **DO NOT ALLOW ANYONE** to see them - Not your spouse, boyfriend, girlfriend, mom or dad, friends or children.

**** DOING SO WILL RESULT IN LOSING YOUR NESARA ****

ALWAYS RESPOND, "Please" & "Thank You". If you did not hear something that was said or asked, respond with humility & kindness such as:

"Please forgive me, I got distracted for a moment. Could you please ask me again or Repeat your question."

Arrival for Appointment

Arrive **no earlier than 10 minutes before** scheduled appointment time, on your scheduled date. If you arrive earlier than 10 minutes, you will be turned away, and you will go to the end of the line for rescheduling your next appointment.

I'd suggest sitting in your car until it is 10 minutes before your appointment. Then, gather your things to take in, lock your car, and proceed into the building. You will be greeted upon arrival by your **Redemption Centre Guide (RCG)**. They will be with you thru the **ENTIRE PROCESS**.

Appointment Time: ~ 30 minutes (min)

Other items:

1. Consider bringing a light jacket as the inside temperature of the appointment office could be colder than is comfortable for you.
2. Use the Restroom, before arriving for your appointment.

STATION #2 - ZIM BOND (NEW UPDATE)

APPENDIX 1: ZIM BOND EXCHANGES

CURRENCIES and ZIM BONDS:

I have created a (SAMPLE) Control Sheet for EACH Currency & one for ZIM Bonds (USE THEM). EACH Country Currency MUST BE Sorted, by Denomination along with the Quantity of EACH, ie., DINAR - \$10,000 x 25 units, DONG - \$1,000 x 1 unit.

I've proved a list of the ZIM Bonds by denomination, for your convenience.

Put all Currencies, Sorted & Paperclipped with a “POST IT” Noting Each Denomination & Quantity of Each, in a clear plastic bag. Like a Gallon ZipLock.

STATION #2 - ZIM BOND (NEW UPDATE)

APPENDIX 1: ZIM BOND EXCHANGES

Continued:

New intel is stating that ALL ZIM Bonds maybe be part of a STRUCTURED Payout. I've heard there may be a 20/80 Split. 20% Personal & 80% for Humanitarian Projects.

The 80% would be part of a Structured Payout that you would negotiate. They offer different rates based on amount of ZIM BONDS. I've heard as high as 10% for the longer terms. They will have information to explain everything.

GO SLOW: Ask all the questions you need. Start by making a list before you go. *Probably a 20 year or no more than a 25 year payout is best, as money won't be needed sometime in the future*

All RBZ “**Zim Bonds**” were guaranteed to be bought back by the Asian Elder's. *They are* Their unexpirable and cannot be written, by the Reserve Bank of Zimbabwe. *any longer*

STATION #9: NOTES

APPENDIX 1: SCHEDULING & NON-DISCLOSURE AGREEMENTS - PART 1

Beware: Non-Disclosure Agreements (NDAs).

The US Treasury harbors another alarming expectation: many currency holders will breach these NDAs and lose not just their accumulated wealth but their entire accounts.

The NDAs aren't sinister documents spun in the web of bureaucracy; they are shields. Measuring just 2-4 pages and with a lifespan of approximately 90 days, they are set to outline the rules of this novel game of wealth. They detail what **YOU MUST NOT DISCLOSE** to anyone, even other fellow currency traders. The NDAs must be perused and understood, not just glanced over - they are your guide in this tricky terrain.

The Unseen Watchers: NSA. In this era of hyper-connectivity, your every move is under the watchful eye of a constellation of intelligence agencies, led by the omnipresent NSA. Your phone calls, emails, text messages, and every flicker of activity on social media platforms like **Facebook, Twitter, Instagram, Google, Youtube** are monitored, scrutinized, and evaluated. As you traverse this path, it's best to cloak yourself in anonymity. Opt out of social networks. Remember, familiar tools and platforms like **FB, Google, Amazon Alexa** have often served as **DARPA** programs to collect data on people – an unsettling thought, isn't it?

Decoding the Language of Discretion. Following your appointment in this realm, certain words and phrases must be struck off your lexicon. Words like **“RV”, “Revaluation”, “GCR”, “global currency reset”, “currency reset”, “Dinar, Dong, Rupee, ZIM, Rial”, “exchange”, “rates”** – these are the triggers that set the NSA into high alert. You may ask, why so?

~for educational purposes only~

STATION #9: NOTES

APPENDIX 1: SCHEDULING & NON-DISCLOSURE AGREEMENTS - PART 1

These words, AND OTHERS, are what the intelligence agencies ARE USING to flag potential NDA breakers.

In the aftermath of your appointment and the ensuing currency reset, a wall of silence must be erected. Even casual mentions of your “recently received funds”, “windfall”, or “financial blessing” on your, telephone, email, texts medium can lead to breaches. Your investment plans, use of funds in projects – none of these should be discussed, especially not the RV/GCR source of your newfound wealth. The NDA will clear this up, remember to read it carefully.

You are a potential target of scams, and your security should never be taken for granted. You are chosen, tasked with making the most of this magnificent opportunity, but with great power comes greater responsibility. It’s a thrilling journey, fraught with unexpected twists, intriguing shadows, and the exhilarating prospect of newfound wealth.

Currency holders are individuals who can sense the imminent financial shift and stand prepared to seize the golden opportunity. Many of these audacious souls are predicted to go broke in the upcoming four to five years. The cure to this ominous fate lies in prudent personal finance management. Whether you’re a currency holder dealing with millions or barely surviving with just enough, the solution is simple yet often neglected – discipline, budgeting, and planning.

Buckle up, stay alert, and make the most of this incredible opportunity.

APPENDIX 1: SCHEDULING & NON-DISCLOSURE AGREEMENTS - PART 2

NDA's – Technical Information

Subject: Scheduling Appts & Signing Your NDA's

Scheduling:

Once we start getting our SafeLink/800# to schedule a redemption appointment, there will be new communication rules.

- ◆ All calls and voicemails will be recorded
- ◆ All phone call logs are logged
- ◆ All text messages are recorded
- ◆ All social media networks and forums are monitored. **DO NOT** Inform those who do not know.
- ◆ All devices are connected to departmental systems of the Federal Government and they will be looking to cancel redemptions for anyone who breaks the Non-Disclosure Agreement by discussing the RV exchanges, their own appointments or redemptions etc.

NDA's:

- ◆ These NDA's will be approximately 90 days (possibly longer depending on amount you hold)
- ◆ Certain words will not be allowed to be mentioned
- ◆ If you need to speak to specific friends, family or anyone related to your Projects, make sure to add them to your NDA addendum/exemption paperwork.

Just Use Common Sense:

Generally, “if it's not necessary to say something, then it's not necessary to say it.”

- ✅ Be careful not to send unnecessary messages or information that goes against the law. These are legal agreements we are signing!
- ✅ Avoid sharing confidential information with your friends and family. Even telling your children puts you at risk....be very careful !!! Be aware of your surroundings. **LOOSE LIPS SINK SHIPS.**
- 🔥 Everything you text, write or say can be used against you because of your NDA ... **Don't take any chances 🔥**

Note: We are already being monitored via No Such Agency on the regular. This is not anything new. But what you will be held accountable for is absolutely going to be on the increase during the time and terms of your NDA 🌟

Don't sacrifice your funds!!! You only have to keep it to yourself for a little while.
