

### A Proclamation from the Elders:

There can be no 'reconciliation' with the killers of our children!

**The Catholic, Anglican, and United churches are banished from our lands!**

We are traditional elders of the Ahousaht, Nuu-Chah-Nulth, Cowichan, Squamish, Sto:lo, Tsilhqot'in, Cree, Metis, Anishinaabe-Ojibwe, Haudenosaunee, Mohawk, Huron, Mi'kmaq, and Dene Nations. We speak by the authority of the Great Law.

All of us are survivors of a war of extermination waged against us by the Catholic, Anglican, and United churches of Canada. These churches ran the genocidal 'Indian residential schools' that killed over 60,000 of our children. They got away with their mass murder with a few words of "apology". And they are still trafficking and murdering our children in partnership with the Canadian government and China.

Therefore, we Elders assembled at Council Fire proclaim that these churches, their priests, and their officials are now and forever banished from our nations across Canada. They must immediately depart or face arrest by our Peacekeepers.

We also reclaim their lands, their church buildings, and the wealth they stole from us as lawful reparations for their slaughter of our people. We will be enforcing this Proclamation in reclamation ceremonies at these churches.

We authorize all people to assist us in evicting these churches from our nations and seizing and occupying their buildings for the welfare of all the people.

We take this action with our white brother Eagle Strong Voice/Kevin Annett, the legal agent of traditional Squamish Siem Kiapilano, who evicted these churches from Vancouver on March 4, 2008. (B.C. Supreme Court Docket No. S036483). We grant Kevin and his deputies the authority to enforce this Proclamation.

Issued by us at Council Fire on Tuesday, September 30, 2025 under the Great Law.

## Don't be duped by ReCONciliation! The Slaughter Continues!

**The dead deserve only the truth - which Canada is suppressing.**

“When it comes to Canada’s mass murder of Indigenous children, it is pointless to speak of truth, or healing, or reconciliation, for those matters will be framed on the terms of the perpetrators. So the official truth of the crime will only be what is expedient, healing will be on the terms of lawyers, and reconciliation will be a convenient fiction dangled like an axe over the quivering heads of the survivors of the massacre. Justice and morality is always defined by the winners, and the losers know they must play along with the farce or die.” - Kevin Annett, IHRAAM Tribunal, June 12, 1998

“The perpetrators of genocide cannot investigate themselves nor set the terms of reparations, which is nothing less than a criminal miscarriage of justice. There can be no recovery for a society that has inflicted intergenerational massacre until the highest responsible officials face prosecution and prison for their crimes, and their people are forced to disinter the graves of their victims and rewrite their official history to honestly reflect their fate. But such a thing is inconceivable without the overthrow of the murderous regime responsible.” - Robert Jackson, Chief American Prosecutor at the Nuremberg Trial, September 1946

“The only thing healed by all this reconciliation talk is white peoples’ guilt and legal liability. And there’s plenty of sellout Indians ready to kiss their ass. That’s never changed.” - Frank Ermineskin, Cree elder, 2021
